General Information to Note:

1. We are a smoke free environment; the only exception is our camp fires!
2. Mark your initials and last name on all personal property. Check out widjiitiwin.mabel.ca to help with this
3. Camp Widjiitiwin is not and cannot be responsible for personal belongings. All broken, lost, missing or presumed stolen items are the responsibility of the individual. If you have expensive personal property you need to make sure that it is stored safely and securely.
4. Lost items will be kept at Camp Widjiitiwin until September 30th. On or about October 1st everything will be donated to charity.
5. There will be a brief opportunity to do SALTer laundry only. Please bring sufficient clothing for the duration of your stay.
6. Care should be taken of all personal property. There should be no problem by keeping these things put away (out of reach of others) and if individuals keep to their own belongings.

IF IN DOUBT, LEAVE IT AT HOME!!
